

We covered our geraniums last night but it froze clean thru the covering. I covered them tonight as I thought it was going to freeze. (this was before supper) after supper it was pouring rain. so this is how it most likely will be in the morning.

 all the good it did us to be covered last night

Aunt Nettie and Jennie went for a ride with Joe this afternoon somewhere.

Pap was to Aunt Nettie's for dinner today. He is in the coal drawing business. He has delivered coal all over and today he brought in a load.

Are your lessons the same as usual. We have started our budget ~~note~~ now 49
